Ottagono

Helmuth Kuess was born in 1952. After studying in Innsbruck, he set up in practice on his own in 1982. The Beck house, Langen near Bregenz, 1985. The proportions of this house are carefully studied in relationship with the sloping site. The big picture window facing south has double-glazing to filter solar energy which is then absorbed by the wall behind it, painted in dark colours.
